MINISTER OF STATE IN THE MINISTRY OF HOME AFFAIRS (SHRI JITENDRA SINGH)

(a) to (b): Bureau of Police Research & Development (BPR&D) and other organizations under Ministry of Home Affairs organize courses regularly for Police Officers at various levels on Information Technology in Police and Cybre Crime.

Police being a state subject, training of police personnel is primarily the responsibility of State Governments. As a part of the process of capacity building of the police, the efforts of the State Governments and Union Territories are supplemented by the Central Government. Courses on "Cyber Crime" are conducted at Central Detective Training Schools (CDTSs) every year for state police officers and CAPF personnel. National Police Academy, North- Eastern Police Academy, Central Bureau of Investigation are also conducting training on cyber crime.
